WORDS OF WISDOM AND HOW TROOP ONE HAS AFFECTED YOUR LIFE

Troop 1 has always been a BIG Family, made up of some really awesome families. When I lost my wife on November 29, 2006, "My" Troop 1 Family embraced and supported my kids, my grandkids and I like I've never, ever seen!!! The Troop 1 Family kept us going back then and still keeps me going now!! Scouting is the most AMAZING program for young people... When the "magic" of Scouting is allowed to work in a "Youth Led" Troop or Crew, AMAZING, AWESOME and MAGICAL THINGS happen to ALL the Youth, Parents and Leaders involved in the Troop!!! Let it work the way Baden-Powell meant it to work and ALL WILL BE GREAT!!!!
